4th Annual Hebron Read and Run Challenge

Hebron Public Schools is encouraging all students to continue their reading and physical activity this summer. We are happy to offer our “4th Annual Hebron Read and Run Challenge.” Through this summer challenge, students are encouraged to read and stay active all summer long. We have provided a long list of activities to engage in as well as some companion books for each activity. [Additional information can be found here.](#)

Spotlight On: HES 6th Grade Band

Hebron Elementary School's 6th Grade Band (with some 5th Grade help) participated in Fantastic Festivals at Manchester High School. They played with a lot of heart and received the Gold Award. Congratulations to our band members and Mr. Rahusen!!

Spotlight On: GHS/HES Retirees

Congratulations to our retiring educators this year, paraeducators Kathy Hoffman, Diane Stowe, Kathy Lawlor and Patty Perkowski! We loved celebrating at the June Board of Education meeting and we wish them the very best on their next adventures. Thank you for your years of dedicated service to our students, families and our community.

Spotlight On: Field Day

As always, Field Day was filled with fun and excitement! We want to thank Mr. Pitrone and Mr. Corona for all of their hard work planning such a wonderful day for our students. Also, thank you to all the families that donated or volunteered, and thank you to the PTA and the Hebron Lions Club for donating the t-shirts for all the students to wear.
