

Spotlight On: Holiday Celebrations

The holiday season is a magical time for our elementary schools as students and teachers come together to celebrate the spirit of joy and togetherness. At both Gilead Hill and Hebron Elementary schools, students have participated in chorus concerts, band concerts, gingerbread house building and many other fun activities. Hebron Public Schools wishes everyone a happy, healthy holiday season!

Comings and Goings: Mr. Rahusen and Mrs. Bancroft

Hebron School District bids a heartfelt adieu to an exceptional educator, Stephanie Bancroft, who has devoted over two decades of her life to shaping the musical minds and hearts of Hebron Elementary School students. As she embarks on her well-deserved retirement, the district reflects on the indelible mark she has left on generations of young music learners.

One of Stephanie's remarkable contributions to the Hebron School District is her role in introducing countless students to the world of music. She has been the driving force behind an impressive number of young musicians, patiently guiding them through the intricacies of learning to play musical instruments. As Stephanie embarks on this new chapter of her life, the entire Hebron community extends their warmest wishes for a joyful and fulfilling retirement.

We are happy to welcome Mr. Rahusen as our band teacher. Mr. Rahusen comes to us with many years of experience and we are very excited to have him join us!
